

Lucas van Kempen

Creative ICT'er

EXPERIENCE

Owner / 3D Generalist

VK Animation

Apr 2021 - Present - 4+ year, Remote

I founded my own animation studio, creating various types of animations and videos for a wide range of clients. While I specialize in 3D animation, I've also managed side projects such as running 10 different YouTube channels for Jelline Brands.

Intern

Skillz Brand ID'z

feb 2023 - Mei 2023 - 4 months, Eindhoven

I completed an internship at Skillz, where I assisted with a variety of client projects, including video editing, animation, and 3D modeling (and occasionally doing the groceries 🥰).

Kitchen Staff

Van 't Spit

Nov 2024 - Present, Eindhoven

I work in the kitchen of the restaurant Van 't Spit as a second chef. I do this 2–3 times a week alongside my studies.

Video Editor

MVDL Communications

Jan 2021 - Apr 2021 - 4 months, Remote

Before I had my own company, I did video editing at a friends company. We created 40/80 commercials each month for drop shippers.

EDUCATION

Fontys Hogeschool

Bachelor's degree, ICT

2023 - 2027, Eindhoven

SintLucas

Audiovisual design & Animation

2019 - 2023, Eindhoven

About

I love doing creative ICT work! Currently, I'm focused on app development using SwiftUI.

Previously, I worked on web development, and before that, I spent several years in animation and film production.
